

eBusiness Operations Office at CardTech SecurTech 2003

The DON eBusiness Operations Office will be exhibiting and presenting at CardTech SecurTech (CTST) 2003. The conference is the "...advance card and ID solutions event of the year." The conference will be held from May 12-14, 2003 in the Orange County Convention Center, Orlando FL.

The eBusiness Operations Office will be exhibiting several of its latest innovative solutions at booth number 1559. Exhibition hours are from 10:30 AM – 6:00 PM May 13-14 and 10:30 AM – 3:00 PM May 15.

In addition, Karen Meloy, Deputy Commander of the DON eBusiness Operations Office, will be presenting Wednesday May 14th at 4:00PM. The topic is "Adding Physical Security Applications to the Common Access Card."

The CTST Conference and Exhibition now in its 13th year and is international in scope. It provides an opportunity to expand your horizons and deepen your understanding of the technologies and solutions used in building foundations of trust during four days of workshops, seminars, receptions and three days of exhibitions. For more detailed information, please visit the CTST 2003 website at <http://www.ctst.com>. We look forward to seeing you there!
